**Subject:** General Message on Equipment Needs for Terwilliger Fire Danger Trees

Please see the attached General Message for equipment needs on the Terwilliger Fire. A contract will be needed and I've been in direct communication with Lorenzo. Equipment is needed for danger tree removal along fire suppression lines for public and firefighter safety. Randy Harbick, McKenzie River FMO has signed the General Message, however, please advise Willamette Forest Supervisor Tracy Beck if additional signature is needed.

Thanks,

Steve Orange
